

# Wealth is Health

All forms of \$\$ is an illusion controlled by 92 military on earth, gold has no more value than digital / plastic card \$\$ has, it is all an illusion controlled by slavery. With no slaves, there would be no such thing as \$\$ . The only thing of value is children and land to raise foods to feed / raise the children. With poor health, \$\$ becomes a joke. Money has 1 value: to create or buy everything from land to equipment for the production of shelter, food, and protection. While hoarding the fake \$\$ is the greatest mistake the dying do. Money loses value every day by design and the slaves pay higher taxation for having land, homes, security. Money is a trap all slaves fall victim to.

## Things your \$\$ should buy!

1. Clean bath water, clean drinking water! All water on top of the lime table, is dirty and can have 60,000+ chemicals in it. If your water well is not below the lime table, then you have failed the most important part of health- clean water. Then you must steam distill that clean water to remove any lime or rock minerals. Dirty water clogs your cells, clogs your arteries, and accumulates in your heart till your dead. Steam distillation will clean your dirty water and you can steam distill all your water, but free people want a water well that has no pollution. Flushing your toilet and washing your cloths in chemical / poison free water is ideal. Showering and bathing in pollution water is not an option for healthy people that have \$\$ to buy clean well water.
2. Clean water and clean tree / bush, sweet fruits are the basics of a healthy child, free of the dentist, free of all the white coats. The root bark on real foods keeps out the heavy metals sprayed on the earth 24/7 since 1949. All foods with no root bark, will have ample heavy metals, including; the best so called "organic" vegetables and meats on earth - heavy metals accumulated in your children is the greatest failure of protecting them. Wrong diets the fastest way to sickness.
3. \$\$ in the bank, while a child or adult is ill is the truest sign of a well trained slave to worship \$\$ over living. A clean home is worth more than all the \$\$ a slave can hoard in a lifetime- the slave often will die with lots of fake wealth, because they valued the fake \$\$ over health and longevity. Millions will never have children, because they value \$\$ more than all else. \$\$ is an illusion that when mastered, you **USE IT, before IT USES YOU!** If you have an ill child or you are ill and you have accumulated \$\$, then you allowed \$\$ to rule you, you favored the fake \$\$ over living.
4. Real Foods are Herbs, that simple. All fruits, nuts and berries are herbs. Everything not an herb, leads to an accumulation that parasites eventually feast on. Every human that weighs 150# has 3+ trillion lyme worms in them- all mammals on earth are born with lyme worms, including those in the oceans. The Lyme worms will develop enzymes, once our body has low oxygen that will dissolve us so they can eat us!
5. Many herbs and foods can enable better health! **Daily: 1+ teaspoon each** of; **Freeze dried Royal Jelly, BF&C, Vitamin C Elixir, Nitric Oxide Rich Herbs, Chaga Mushroom** are just **my "examples" for me**- each person has to decide their choices. Always **Wild Oregano Oil** Daily in the mouth and in the house air as your sleep! **1 bottle LBB Capsules every year is a must!** Life-Wave Photo / Light tech an option, as are medical – type, proper use of magnets. Proper Grounding is a must for all "housed" humans wearing shoes.
6. Land owners with land worth millions today, often decay and die due to extreme toxicity, dirty water, wrong foods and a lifetime of pains. Worst of all, they raised their children to worship the \$\$ over their health and they value the excessive lands and fake \$\$ in the banks over their own lives and their children's lives. When sick, they do not clean up their water, their foods, the air in their homes- they follow the "world", the organized drugs, operations and obey the education and decide if they want incinerated or placed in a box.
7. Everyone dies and all should die with what God created them with. To have bones and flesh cut out is a result of wrong diets, toxic homes and all choices; that is what makes us "humans", only the human has "choice". Dr. John R. Christopher use to say- ask any Gorilla a health question and he would tell you the truth- Eat the Foods that God created you to eat! **Eat to Live** and not live to eat. Herbal Supplementation is avoided by buying real human foods.

## An attempt to explain why slaves value \$\$ more than living!

Most people have no clue about slavery and will never know a none slave. It would be easy to write 1,000+ pages about slavery. The goal here is 1 page, because slaves hate to read about slavery.

1. Virtually all people are “slaves” if they have went to a school, read a book or use money; this is why Jesus suggested giving \$\$ back to those that made it. Before money; slaves were controlled with fear / beating to death. \$\$ determines the degree of each class of slave.
2. Low class slaves pay taxes, their masters do not. Their master’s children’s education cost \$75,000.00 per year, starting by age 5. Their masters are slaves, but due to extreme obedience, they and their families never paid “wealth” taxation. They have many properties and ample free \$\$\$. They own factories, cities, states, Island & countries, upon graduation; they are given wealth, etc. The ones that pay no taxation are what Jesus calls the “Organized”. They function via lifelong blackmail. Example 1: All news media by World War 1 were organized. When the organized vaccinated their unwanted soldiers / people, the only country that objected was Spain, the king did not want to kill his soldiers; as a result, the organized called their vaccine; The Spanish Flue. The organized developed the Spanish Flue starting in 1895 as a way to protect the bosses from future civil wars; the goal, destroy the strong men, destroy the families and get control of the loose slaves. Create fatherless children suitable for military family. World War 1 never ended, the first needles killed 100 million North American Slaves and 100 million European Slaves and Africans were not counted, it was estimated up to a billion by the development of the polio vaccines in Africa.
3. The entire world has been poisoned by design since 1915, why? Why would the elites poison them selves, poison the entire earth? Jesus made it clear, “evil” wants everything dead on planet earth, evil hates everything God creates. The worldwide “organized” wanted all dead by age 65 in 1965 and by 1992 all dead by age 40 and in January 2024 they all signed a treaty to eliminate 30% by 2030 and 50% by 2050. Their goal is all people raised in “line” cities where people will live and never know anything exist outside their city.
4. The “organized” have no choice but to “obey” their masters. The organized know all \$\$\$ is fake, it has zero value. It never has. Example, in China 2023 the top 3 gifts exchanged between people was gold bars. In North America, the common slave will have never touched gold their entire lifetime. Gold has zero - real value, the only real value is how many slaves do you own or control. The use of “\$\$\$” enables lesser slaves to hire “lesser” slaves—people love using \$\$\$ to hire others to work for them. Slavery depends on more slavery. Those that never pay taxes, explain that the 12<sup>th</sup> grade slave was bred and trained to do exactly what they will do, their entire lifetime, via taxation, they control all their slaves. The slaves are too poor to know any different. Each slave always knows lower slaves.
5. The fear of homeless, starvation, sickness and death keeps every slave in their “Place”.
6. Gold? After World War 2, America built Japan many marble banks. These banks are setting in cement boxes, filled with extreme strong springs, because Japan can have 100 small earthquakes daily. Japan’s documentary on earthquakes showed their heaviest buildings as their example—their “many” marble banks are stacked to the ceilings with American gold bars given to them after World War 2. The slaves have no clue what wars are. The slaves have no clue about human health, the slaves are too busy paying taxation, working and dying by design. They are trained to worship \$\$\$, white coat gods and far worse. Nothing has changed in the past 500+ years, millions of people killed worldwide long ago, to create worldwide slavery. By the 1950’s many of the great medical / health books were destroyed by the Libraries and the “organized” evil; always rewrites history.
7. Millions exist that call their humans on top- Their “Pastured” humans.
8. The third book of God (Jesus) the most forbidden book, slaves are forbidden to read. The end-goal a proper death of the body. Your spirit never ages.
